

ASEA UNINET INDONESIAN CHAPTER WORKSHOP On Sustainable Development Universitas Indonesia, 6-8 December 2017

1.1. Program Description

ASEA UNINET Indonesian Chapter Workshop on Sustainable Development is a two-day workshop contains panel presentations aim to give a platform for the coordinators from ASEA UNINET member universities to exchange knowledge and have a discussion about Sustainable Development. Furthermore, there will be a session titled “The Role of Embassy in Supporting ASEA UNINET” by Indonesian Embassy for Austria; aims to get the point of view and insight from the embassy about its role in ASEA UNINET.

The event will be held for 3 days, **from 6—8 December 2017 at Universitas Indonesia**, Depok Campus. The first day contains embassy sessions and panel sessions in which representatives of ASEA UNINET from each country present their research/opinion on Sustainable Development in the "Panel on Sustainable Development: Lesson Learned." second, the panel session will continue. On the last day, the workshop participants will follow the excursion to museums and landmarks in Jakarta.

1.2. Purpose of The Program

- a. Build discussion to get a direct picture of the issues concerning sustainable development related to Europe and Southeast Asia region as a means for ASEA UNINET experts in giving their valuable contributions to the world and particularly European and Southeast Asian development
- b. Establish connections between scholars of ASEA UNINET members to carry out further cooperation in the future.
- c. Discuss the work plan of ASEA UNINET to address the rising up issues between ASIA UNINET members in the coming year to achieve the great goal of ASEA UNINET.

1.3. Target of The Program

- a. The ongoing discussion on one selected topic
- b. The development of new approaches of science from sharing sessions with representatives of various member states of ASIA UNINET
- c. Establish joint activities between university members of ASIA UNINET
- d. Obtaining support from the Austrian Embassy for Indonesia at subsequent ASEA UNINET events of Indonesian Chapter.
